Notes :

- An application was filed for the initiation of Corporate Insolvency Resolution Process ("CIRP") under Section 9 of the Insolvency and Bankruptcy Code, 2016 ("IBC") against Innovative Tyres & Tubes Limited ("the Company") before the Hon'ble National Company Law Tribunal, Ahmedabad Bench ("NCLT"), with a prayer to commence the CIRP. The Hon'ble NCLT vide its order dated 28th March 2022 admitted the said application for initiation of CIRP against the Company. Further, the Hon'ble NCLT gave orders for the appointment of Mr. Abhishek Nagori as the Interim Resolution Professional ("IRP") to perform all the functions as per the IBC and that the management of the Company shall vest in the IRP. The NCLT order also provided for a moratorium with effect from 28th March 2022 till the completion of the CIRP under the IBC, or until the Hon'ble NCLT approves the resolution plan or passes an order for liquidation of the company, whichever is earlier. Further, In the ongoing CIRP of the Corporate Debtor, the Resolution Professional (RP) with the approval of Committee of Creditors (CoC) re-invited the Expression of Interest (EOI) in Form G on 31.10.2022 from the Potential Resolution Applicants (PRAs) to submit the Resolution Plan. Thereafter, the RP has received Resolution Plans from the Resolution Applicants. Subsequently, the CoC has approved the Resolution Plan submitted by Resolution Applicant in the 12th meeting held on 31.12.2022 and the said Resolution Plan has also been submitted to the honourable NCLT for approval. The order of the honourable NCLT for approval of Resolution Plan is awaited.
- The Audited financial results of the Company for the year ended 31st March, 2023 have been taken on record by the Resolution Professional ("RP") of the Company, Mr. Abhishek Nagori, who is appointed by the Committee of Creditors ("CoC") pursuant to the order passed by the Hon'ble National Company Law Tribunal ("NCLT"), while discharging the powers of the Board of Directors of the Company which were conferred upon him in accordance with the order dated 28th March 2022. It is also incumbent upon the RP, under Section 20 of the IBC, to manage the operations of the Company as a going concern. The Audited Financial Results of the Company for the year ended 31st March 2023 has been approved in the meeting of Resolution Professional and directors. As a part of the CIRP, the RP has appointed a Forensic Auditor for the Company with the approval of Committee of Creditors of the Company. The Forensic Audit Report has been received from the Forensic Auditor and as informed by the RP to the Stock exchange, no transactions have been identified in the Forensic Audit Report in the Forensic Audit Report as Preferential, Undervalued, Fraudulent, and Extortionate (PUFE) transactions. Since the RP has taken charge of the Company on 28 March, 2022, the RP is not liable or responsible for any actions and has no personal knowledge of any such actions of the Company prior to his appointment and has relied on the position of the financial results of the Company as they existed on 28 March, 2022. Regarding the information pertaining to the period prior to 28 March, 2022, the RP has relied upon the explanation, clarifications, certifications, representations and statements made by the existing officials of the Company, who were also part of the Company prior to the appointment of the RP. Similarly, after RP has been appointed, the suspended board is not responsible for any actions taken by the RP and reflected in the financial results either as a transaction during the year or reflected as carry forward of balances of the transactions undertaken during his tenure. The above financial results of the Company for the year ended 31st March 2023 was subjected to audit by the Statutory Auditors of the Company, as required under Regulation 33 of SEBI (Listing Obligation & Disclosure Requirements) Regulation, 2015 as amended ("Listing Regulations").

- 3 The Company's loan accounts have been classified as Non-Performing Asset (NPA) by the lenders. The Company has not made any provision for interest which has not been charged (including unrealised interest) by the Bank on account of NPA on Bank Borrowings and accordingly the loss & finance cost for the year ended 31st March, 2023 are understated and not quantifiable. The Auditors have drawn qualification in this regard in their Audit Report for the year ended March 31, 2023.
- 4 The Company has incurred net loss (after tax) of Rs. 5293.65 lacs during the year ended 31st March, 2023 and have accumulated losses of Rs. 6221.30 lacs as on 31st March, 2023. The net worth of the Company has been eroded and the financial performance of the Company had deteriorated substantially, and all the manufacturing operations have been stand still. Also, the Company continues to deal with a range of uncertainties and is presently not able to service its debts. The Company has assessed that the use of going concern assumption is appropriate in the circumstances and hence, these financial results has been prepared on a going concern assumption basis as per below:
- i) The IBC requires the RP to, among many other things, run the Company as a going concern during CIRP.
 - ii) The RP, in consultation with the Committee of Creditors of the Company, in accordance with the IBC, is making all endeavours to run the Company as a going concern.
 - iii) The RP has received Resolution Plans from the Resolution Applicants. Subsequently, the CoC has approved the Resolution Plan submitted by Resolution Applicant in the 12th meeting held on 31.12.2022 and the said Resolution Plan has also been submitted to the honourable NCLT for approval. The order of the honourable NCLT for approval of Resolution Plan is awaited.
- 5 The Company is engaged in the business of Tyre & Tubes and therefore, there is only one reportable segment in accordance with the Accounting Standard on Segment Reporting (AS-17).
- 6 During the year, there is no manufacturing activity carried out by the Company. All the Property, Plant and Equipment were unused and were locked stock in barrels much before NCLT Order dated 28th March 2022. The Technical Usable viability is difficult to determine during CIRP process. Further based on the possible outcome of CIRP, following the resolution process, the management has realised the need to impair the value of Property, Plant and Equipment by taking the basis of independent valuation. During the year, the Impairment loss of Rs 4922.45 Lacs is booked for Property, Plant and Equipment.
- 7 Under the CIRP there are various claims submitted by the operational creditors, the financial creditors, employees and other creditors. The overall obligations and liabilities on account of claims by the creditors shall be determined during the CIRP and accounting impact if any will be given on completion of CIRP. During the CIRP, the Claims amounting to Rs.13,216 lacs from Creditors were received upto 11st October, 2022. Out of total claims of Rs. 13,216 lacs , Rs. 13,121 lacs has been accepted as of 11st October, 2022 comprising Rs.3,915 lacs as Secured and Rs.9,206 lacs as Unsecured. The Auditors have drawn qualification for non-provision of additional liabilities admitted and accepted under CIRP in their Audit Report for the year ended 31st March, 2023.
- 8 During the year ended 31st March, 2023 the Company has made provision for doubtful debts of Rs 165.68 Lacs on Trade Receivables.
- 9 The previous year figures have been regrouped/rearranged wherever necessary to make it comparable with the current period.

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
